

(12/20/23 District Administrator's Corner Article)

Please hum along to "The Christmas Song"  
(i.e. Chestnuts roasting on an open fire...)

*Backpacks lined up and are ready to go  
Students waiting in a line  
Holiday treats and classrooms all cleared  
and parents are thinking of summertime*

*Everybody knows  
that vacation time is finally here  
And kids are happy to be at home  
Tiny tots with their eyes all aglow  
And teenagers attached to their phone*

*They know that rest is on its way  
Sleeping in and visiting families to stay  
And every little child will try to find  
peace and joy with loved ones at this time.*

*And so we are offering this simple phrase  
from River Valley staff and students too  
Although it's been said many times, many ways,  
Merry Christmas...  
Healthy Holidays...  
Season's Greetings...  
And, Happy New Year...*

*...to you.*

Sincerely,

Loren Glasbrenner, District Administrator  
River Valley School District
