

## River Valley School Fair Tractor/Implement Display Form 2017

Please complete the following form if you are interested in displaying your machinery at the River Valley School Fair on Friday, September 29th. The machinery display will be a part of our interactive agricultural experience area, so young children and adults will be touring the area as part of a rotation system to learn more about the agriculture industry in the River Valley School District. The tours will start at 8:30 a.m. and continue until 1 p.m. You have our permission to join in the Homecoming Parade at 2 p.m if you wish to advertise your business, please let us know if you are interested as we need to inform the Parade Committee of your entry.

It would be our honor to promote your tractor and or implement by creating signage for School Fair day on September 29th, 2017. We will have spots for the ones who choose to display their equipment the day of the School Fair.

Note: You may bring your tractor/implement no sooner than 2:00 p.m Thursday the 28th. Also please attempt to avoid bus pick-up times from 3:15 p.m. to about 3:40 p.m. We request that you pull the keys to your equipment and lock it up so people cannot get into your personal belongings. We also request dropping off your items before dark as we will have students and others on campus for our Homecoming's annual bonfire. We want everyone to be safe during this time. We have asked the Spring Green Police Department to survey the area throughout the night but there is no guarantee that your equipment will not be tampered with during the evening. Friday morning you may start bringing in items at 5:30 a.m. up to 8:15 a.m. If any questions call Shari Graffunder 608-438-1452 or Brett Jensen 608-459-5435.
