## **School District Calendars**

The school calendar for the River Valley School District shall be developed by the Board through consultation with representatives of the River Valley Education Association.

The calendar shall specify the opening and closing dates of school and provide for a minimum number of hours per state requirements.

## **Activity Calendars:**

The Central Office shall maintain a website calendar for all district activities. Building principals shall be responsible for maintaining school activity calendars for their respective schools. Booking dates shall be available on a first-come, first-served basis with the district calendar having priority over other calendars. In all cases, school-sponsored functions will be given priority in scheduling.

Administrators shall refrain from scheduling school activities on Wednesday evenings after 6:15 p.m. Schools may be opened on Wednesday evenings, with permission of the administration, but only for special functions or occasions.
