Curriculum Evaluation

The administrative team shall be responsible for the evaluation of instructional programs.

The administrative team shall coordinate an organized approach to periodic program evaluation that meets at least minimum state standards.

The District shall conduct systematic evaluations of its educational programs on an ongoing basis. The manner of these evaluations shall be determined by the District Administrator and reviewed with the Board.

An examination of the educational programs' compliance with student nondiscrimination laws and regulations shall be included as a part of these evaluations.

All changes, additions or deletions of curriculum programs shall be implemented through the administrative team.
