## Special Education

In recognizing its responsibility to provide complete and appropriate educational services to all school-age children in the district, the River Valley Board of Education shall provide programs for children in special education.

The Board shall provide programs for students in special education as defined by law.

Programs for students in special education may be provided through cooperative agreements with other school districts.

The district shall complete all special education report forms and district plans as required by the Department of Public Instruction.

Within the parameters of state and federal laws governing the operation of programs for students in special education, there are due process safeguards for parent rights and appeal. Such provisions shall be adhered to by the River Valley School District.

A special education handbook shall be developed which shall meet state/federal law requirements and be adopted by the Board.
