Grading Systems

It shall be the policy of the River Valley School District to evaluate student achievement in grades Pre-K through 12. Grades issued on a regular basis serve to:

- a. Promote a process of continuous evaluation of student performance;
- b. Inform the student and his/her parent(s) or guardian of the student's progress; and
- c. Provide a basis for bringing about change in student performance if such change is deemed necessary.

The River Valley School District shall not discriminate in the methods, practices and materials used for evaluating students on any basis prohibited by law. Specific grading practices shall be in the Student Handbooks. This does not, however, prohibit the use of special testing or counseling materials or techniques to meet the individualized needs of students.
