## **Full Day's Absence**

For the Middle School and High School, based on a nine period day, a half-day's absence is recorded between four and seven periods of absence. At seven periods of absence, a full day's absence is recorded.

At the Elementary School level, if the child is absent for half of the day, it is counted as a half-day's absence. If they are gone the entire day, it is a full day's absence.
