RE: Fact Finding/Study Committee to Review Options for the Consolidation of Elementary Schools

You may be aware that the School Board invited community members to serve as a committee to review options for the consolidation of elementary schools. They are reviewing such details as financial implications, staffing levels, busing, and educational impact.

The committee will present information, not a recommendation, to the School Board with a goal of December 2011.

This group has been rotating meeting locations in Lone Rock, Plain, Spring Green, and Arena.

The next meeting of this committee will be held at 7:00 p.m. on Monday, September 12, at the Arena Elementary School.

The public is encouraged and welcome to attend!
