Fire Drills

Fire drills shall be conducted at least once each month throughout the school year. The Building Principal shall inform teachers of the exact evacuation plan for each building and shall keep a record of the dates and times of all evacuation drills. It is of utmost importance that fire drills be carefully organized and properly supervised to assure effective and efficient operation.

The Business Manager shall annually file a report of all district fire drills with the Department of Industry, Labor and Human Relations and the chief of the local fire department.
