USE OF SCHOOL FACILITIES

The Board recognizes that school facilities belong to the school community. Therefore, it shall be the policy of the Board to encourage the use of school facilities by groups and organizations whose purpose and objectives contribute to the school or community.

In all instances, public school educational programs and activities shall have priority use of school facilities. School facilities may be used at other times when not required for school purposes.

Requests for use of school facilities shall be made through the respective school office in accordance with established procedures.

After approval of a completed Facilities Use Request Form, the Building Principal/Administrative Building Coordinator will send a copy to the District Administrator, to the individual or group requesting use of school facilities, and to the Athletic Director if the facility requested is a gym. Also notify the following parties when deemed advisable:

- 1) Police Department
- 2) County Sheriff's Department
- 3) E.M.S./Community Center
- 4) Fire Department

Any individual or group using school facilities shall be required to abide by all Facilities Use Regulations (see attached rule).
