

Reminder

We will be starting the WKCE testing next week.

Our first day of testing will be Tuesday November 8. We will continue testing all week and may go into the following week. During this time, students will not have homework other than AR reading.

It is my hope to provide your child with the best possible testing environment. We have been practicing test taking strategies over that past couple of weeks with the hope of putting your child more at ease with the format of these tests. You can also help your child by making sure they get plenty of rest the night before a test and by making sure they have a good breakfast each morning.

I will be providing the students with a snack before testing. Mostly likely it will be some type of breakfast bar. You may send a different light snack if your child would like something different.
Thank you for all of your help.

Mrs. Kratochwill
