

Mrs. Eastlick's Class News

November 14, 2011

Classroom "Clean Up"

- Thank you for sending more snacks in, if you have not sent in snacks, please do so.
- **NO TOYS:** thank you for helping us out, we have had no problems at recess.
- Thank you for coming to Parent/Teacher Conferences. We are all doing a nice job!

Thank you to Jose and his family for the birthday cookies, to Cameron and his family for the Halloween cookies, to Travis and his family for the chips and Emma and her family for the birthday brownies.

1st Grade Reading

We will be taking the next two weeks "off" in 1st grade reading. Once "-ng" and "-nk" words have been introduced, we like to take time to get those words down and not introduce new words or sounds to the students. So in reading, we will be doing activities around the "-ng" and "-nk" words. So no reading exercises until after Thanksgiving.

Math

Next week, in 1st and 2nd grade math, we will be doing some activities that are math related and will center around Thanksgiving. Therefore, home links will not be sent home on those days.

Up Coming Events

- Monday, November 21st: Aldo Leopold Nature Center comes to school to do activities with the kids.
- Tuesday, November 22nd: we will have our Thanksgiving Feast. Preparing in the morning and eating the feast at lunch.
- No School: November 23rd, 24th, 25th
- Monday, November 28th: we visit Aldo Leopold Nature Center in Black Earth.
- Friday, December 9th: Music Program at school. 1:00PM.
