

LONE ROCK ELEMENTARY IS HOLDING A "PENNY WAR"

In honor of Veteran's Day, next week, November 7-11th, we will be holding a "Penny War" to raise funds for the new Veterans War Memorial in Lone Rock. Each classroom will have a container for students to donate pennies. The only coins in the jar that count toward the classroom total are the pennies. Other classrooms can sabotage the jars of their rivals by depositing a coin or banknote which is then counted AGAINST the pennies in the jar. For example, if a dime is dropped into a rival's jar, it deducts 10 pennies from their total. A dollar would wipe out 100 pennies, and so on. Classroom totals will be announced at the end of each day so students and staff can strategically plan their next move!

Our goal is to raise \$100 to purchase a 12X12 tile
which will be engraved with the inscription

"Lone Rock Elementary Staff and Students 2016-2017."

Any money raised above that amount will be
contributed to the Veterans Memorial Fund.

A picture of the preliminary design can be found on the back of this paper.

The money raised will be presented to a representative from the Lone Rock Veterans Memorial group on Veterans Day. Students may bring money in from Monday through Friday of next week.

By giving a little, you will help out a lot!
