

NOTICE

Any River Valley School District community member interested in participating on a newly formed RV2022 committee should contact Superintendent Jamie Benson at 588-2551. This committee's first meeting will be held on November 16 at 6:30 pm in the Middle School Library. The purpose of the committee is to provide an opportunity for community input in our process of thinking and planning for the district's future and to lay the groundwork for the district's continuous improvement efforts. Ultimately, the RV2022 Committee will develop "Graduate Learner Outcomes" to describe the skills and knowledge we envision for today's kindergarten students to obtain, by the time they graduate (year 2022). We will bring the RV2022 process to completion by early December 2009. Further information will be provided to those who express initial interest. Thank you.
