Any member of the School Board may attend the above-noticed meeting of the Technology Committee. Therefore, it is possible that a quorum of the School Board, up to and including all members of the School Board, may be in attendance at the meeting. However, the Technology Committee is the only governmental body of the School District that will take any official action at the above-noticed meeting. There will be no motions or voting conducted by the School Board at the meeting of the Technology Committee.
