CURRICULUM DEVELOPMENT

The River Valley School District shall promote quality education by encouraging a continuous curriculum development process. The Board directs that the curriculum of this District provide instruction in courses consistent with statute and regulations of the Department of Public Instruction or appropriate government (state or federal) agency. Communication and coordination among grade level and subject area teachers should be emphasized on a pre-kindergarten through grade 12 basis whenever curriculum is developed.

This process shall be devised and implemented through the administrative team, which has discretionary decision powers and responsibilities subject to the authority of the Board/

All subject area offerings and any additions or deletions to the curriculum shall be reviewed and adopted by the Board before they are initiated or dropped from the existing program of instruction.

As the educational leader in the District, the district administrator shall keep the Board regularly informed of curriculum matters.
