Testing Programs

The River Valley School District shall establish and maintain evaluation procedures which can be used, communicated and interpreted by the schools and by the district.

The procedures will lend itself to:

1. A quantitative and qualitative assessment of the educational program of the district for purposes of reporting the overall status of the district and charting the growth of its students, grades, schools and areas from year to year.
2. Appropriate reports to the Board.
3. Interpretation and use by school staff so that the test findings will influence and guide academic and social-emotional programming.

Evaluation procedures will reflect the academic growth of students according to their own capacities and to local and national norms and assess the growth of students in the basic skills and subjects in the elementary and secondary grades. The district's evaluation procedures shall also include all tests required by state law and/or regulations.

Students in special education and with Limited English Proficiency shall participate in the district's standardized testing program in accordance with state law and established guidelines.

The River Valley School District shall not discriminate in the methods, practices, and materials used for testing, evaluating, and counseling students. Discrimination complaints shall be processed in accordance with established procedures.
