YOUTH OPTIONS PROGRAM (POSTSECONDARY ENROLLMENT OPTIONS PROGRAM)

Under the Youth Options Program, any 11th or 12th grade student who meets established requirements may enroll in any of the following institutions of higher education for one or more courses:

1. A center or institution within the University of Wisconsin (UW) system,
2. A vocational, technical and adult education school, or
3. A participating private, nonprofit institution of higher education located in Wisconsin.

When such course(s) is taken for high school credit and credit is received, the Board shall pay the costs for such course if it is not comparable to one offered in the District and the student shall pay the costs if it is comparable. Decisions regarding comparability of courses, satisfaction of high school graduation requirements or the number of high school credits to be awarded shall be made by the Building Administrator in accordance with state law and established procedures. If a student is not satisfied with the Building Administrator's decision, he/she may appeal to the State Superintendent of Public Instruction.

Students shall be informed about the post-secondary enrollment options program at the beginning of each school year. If a student is approved for a Youth Options course(s), the student is expected to attend all classes and obtain a grade of "C" or better. If a student receives a grade below a "C" in a course or fails to complete the course, lacking medical documentation, the student's parent/guardian or the student, if an adult, is responsible for reimbursing the District for payment of the tuition and fees paid by the District.
