345.3 Promotion and Retention 351 Summer School Program	Fred	Sara	<p>Recommend to the Board for a 2nd reading, no changes from 1st reading.</p> <p>These policies were discussed together because they are related and both need the same language updates regarding summer school.</p> <p>RV cannot make students attend summer school for grades 3-8, however the added language will let parents/guardians know that if a student makes progress in summer school, this may work toward their advantage in moving to the next level.</p> <p>Summer school hasn't really been in effect since covid. This summer each level of school will have a unique approach to summer school:</p> <p>Elementary: get ready for the next grade Middle: enrichment and remediation High School: credit deficiency</p>
