Public Notice			There was no quorum, but there was an informational conversation.
Approval of minutes			There was no approval of minutes; we will need to do this at our next meeting. The meeting started at 5:01 pm
Technology Audit Update			Glasbrenner shared a draft action plan that would organize the steps to be taken using CESA 5 suggestions. Highlights included the following: <ul style="list-style-type: none"> <li>- Creating a centralized vetting system for all online resources used in classrooms</li> <li>- Developing a core resource list for departments and grade levels</li> <li>- Establishing focus standards in technology for grade levels and buildings</li> <li>- Creating technology communications biannually for the staff communication committee and the school board</li> </ul>
OCR update			Duren and Glasbrenner gave a quick update on the Office of Civil Rights appointments and learning.
District website			Due to our OCR complaint, centering around the RVSD website accessibility and use of PDF documents, the district will be transitioning to a new web design company, Parent Square. The new company has formats and designs that are simplified and OCR compliant. The team discussed strengths and weaknesses of our current website: <ul style="list-style-type: none"> <li>- Strengths: parent use and teacher use of particular pages, new components on current website are updated from past website, calendars are functioning better (not well, yet)</li> <li>- Weaknesses: Too many expandable features, not OCR compliant, no flexibility in formats, outdated information, lack of building updates, and not phone compatible</li> </ul>
			Meeting adjourned at 5:38 pm.
			Next meeting is scheduled for Monday, June 16, at 5:00 pm.
