## STUDENT POLICIES GOALS

Students are the first concern of the District and must receive the primary attention of the Board of Education and all staff members. To fulfill its obligation to students, the Board will strive to formulate policy and consider other matters related to students. A similar commitment is expected of all staff members. The Board expects commitment and effort on the part of all students, commensurate with their ability and skill development. The Board and staff shall work together to establish an environment conducive to the very best learning achievement for each student through meeting the following goals regarding students:

- 1) To individualize the learning program in order to provide appropriately for each student according to his/her specific background, capabilities, learning styles, interests, and aspirations.
- 2) To protect and observe the legal rights of students.
- 3) To enhance the self-image of each student through helping him/her feel respected and worthy, and through a learning environment which provides positive encouragement.
- 4) To provide an environment of reality in which students can learn personal and civic responsibility for their actions through meaningful experiences as school citizens.
- 5) To deal with students in matters of discipline in a just and constructive manner.
- 6) To provide in every way feasible for the safety, health, and welfare of students.
