River Valley School District strives to provide a safe, positive learning environment for all students. In order to maintain a school environment that encourages optimum human growth and development, it is the policy of the district to maintain and ensure a learning and working environment free of any form of bullying or harassment. All bullying behavior is prohibited whether it is the action of students or staff members.

Also, such conduct may be subject to the activity/athletic code(s).

The district will not tolerate bullying or harassment in any form and will take all necessary and appropriate action to eliminate it, including, but not limited to: discipline, such as suspension or expulsion of the offenders. Furthermore, if needed, the district may pursue court action to prevent an individual from being on school property or in the presence of those people being harassed.
