Weapons in the Schools

No one shall use or possess a firearm, whether loaded or unloaded, any destructive device, or other dangerous weapon (as defined under section 948.61 of the state statutes) in school buildings and other buildings owned, occupied or controlled by the school district, on school premises, in school provided transportation, or at any school- sponsored or school-supervised activity, except as otherwise specifically authorized in this policy. Any object which could be used to cause bodily injury or property damage and which has no school-related purpose for being in school or on school grounds, will be considered a weapon for purposes of this policy.

Weapon – means:

- (a) a device, instrument, material or substance, animate or inanimate, that is used for or is readily capable of causing death, bodily injury, or property damage or that readily can be used to intimidate others;
- (b) any device, realistic toy, inoperable weapon, or fake replica that is readily perceived or believed to be an actual working weapon;
- (c) any device designed as a weapon and capable of producing death or great bodily harm;
- (d) knives and cutting instruments; or
- (e) any electric weapon or any other device or instrumentality which, in the manner it is used or intended to be used, is calculated or likely to produce death or great bodily harm.

“Weapon” also includes BB and pellet guns and look alike or facsimile devices that can be interpreted or believed to be a weapon and/or can be used to intimidate or threaten others.

The following is an exception to the policy prohibition:

- The District Administrator may allow a weapon on school premises for purposes of demonstration, educational presentations, or other pre-approved educational programming. This approval must be in writing and granted prior to the weapon being brought to the school. The weapon shall be maintained in the possession of the principal or the principal’s designee except during the actual demonstration, presentation, or program.

A student who possesses a weapon, firearm or destructive device in violation of this policy may be suspended from school, referred for an expulsion hearing, and may be expelled from school. Students possessing other weapons in violation of this or any other policy or rule shall be subject to appropriate school disciplinary action, up to and possibly including suspension and expulsion from school. A parent or guardian with access to student records will be notified of student weapons violations in all cases. A law enforcement or juvenile justice referral may also be made for all students violating this policy.
