Student Physical Examinations

The River Valley Board of Education shall recommend physical examinations for the following students:

- a. 4K and kindergarten students - River Valley School District recommends that all students entering the River Valley School District for the first time as either a 4K student or kindergarten student have a physical examination, a dental examination and an eye examination prior to the first day of school or as soon as possible after that date. Forms pertaining to the physical, dental and eye examination can be obtained from the school office or district website.
- b. All 7th grade students
- c. All students enrolling in the River Valley School District for the first time, unless their school record contains evidence of a physical exam for 4K or kindergarten and 7th grade as required for other students.
- d. Any student who receives a written request from the school nurse to see a doctor of his/her choice for a physical examination. In this case, the student will be asked to inform the nurse of the doctor who will be conducting the physical so that the nurse may be in contact with the doctor concerning the matter to be checked.
- e. Any student participating on school-sponsored interscholastic athletic teams. A student-athlete, whether an adult or not, must have a physical examination (signed by a licensed physician, physician's assistant or advanced practice nurse-prescriber) every other school year. A physical examination completed April 1 and thereafter is valid for the following two school years. A physical examination completed before April 1 is valid only for the remainder of that school year and the following school year. This is in accordance with Wisconsin Interscholastic Athletics Association (WIAA) regulations.

Student physical examinations shall be in accordance with the form provided by the River Valley School District. These forms shall be available in the school office and on the district website. Physical examinations shall be paid for by the student's parent(s)/guardian.
