### **Bond or Note Anticipation Notes**

~~In anticipation of issuing general obligation bonds or notes, the District is authorized to borrow money using bond or note anticipation notes. The bond or note anticipation notes shall in no event be general obligations of the District, and do not constitute an indebtedness of the District, nor a charge against its general credit or taxing power. The bond or note anticipation notes are payable only from (a) proceeds of the bond or note anticipation notes set aside for payment of interest on the bond or note anticipation notes as they become due, and, (b) proceeds to be derived from the issuance and sale of general obligation bonds or notes which proceeds are pledged for the payment of the principal of and interest on the bond or note anticipation notes. be made payable later than the termination of twenty (20) years immediately following the date of the bonds. The Board is required to levy a direct, annual, irrevocable tax sufficient in amount to pay the interest on such bonds as it falls due and also to pay and discharge the principal thereof at maturity. Bonds issued by the District to refinance or refund outstanding notes or bonds issued by the District may be payable no later than twenty (20) years following the original date of such notes or bonds.

**Refunding Bonds**

In addition to being authorized to issue bonds, the District is authorized to borrow money using refunding bonds for refunding existing debt. To evidence such indebtedness, the District must issue to the lender its refunding bonds (with interest) payable within a period not exceeding twenty (20) years following the initial date of the debt to be refunded. Such refunding bonds constitute a general obligation of the District. Refunding bonds are not subject to a referendum.

**Promissory Notes**

However, such notes may be payable not later than twenty (20) years following the original date of such outstanding notes.

**Temporary Borrowing**

The Board may, on its own motion, borrow money in such sums as may be needed to meet the immediate expenses of maintaining the schools in the District during the then-current school year. No such loan or loans shall be made to extend beyond November 1 of the following year or in any amount exceeding one-half (1/2) of the estimated receipts for the operation and maintenance of the District for the current school year in which the loan is made.
