## Building and Grounds Maintenance

~~The Board shall be responsible for the overall care and maintenance of school property.~~

~~Maintenance and custodial services shall be provided for in the district's operating budget to keep buildings and grounds clean and safe. In order to provide a proper maintenance program, high standards of maintenance must be established and the cooperation of all employees must be emphasized.~~

~~All maintenance problem reports shall be made to the Business Manager in writing.~~

The Board of Education recognizes that the fixed assets of the District represent a significant investment of this community and their maintenance is of prime concern to the Board.

The Board directs the conduct of a continuous program of inspection, maintenance, and rehabilitation for the preservation of all school buildings and grounds and equipment. Wherever possible and feasible, maintenance shall be preventative. Maintenance and custodial services shall be provided for in the District's operating budget to keep buildings and grounds clean and safe.

The Business Manager shall develop and facilitate a maintenance program.
