Alcoholic Beverage Possession and/or Use on School Premises

No person shall consume or be in possession of (this includes both open and/or closed containers), an alcoholic beverage while on River Valley School District Property or at district sponsored events.

School District property refers to all premises owned by or under the control of the school district and in all vehicles whether owned, operated or used by the district for any district purpose by all persons at all times. School district property also includes rented property when such property is being used for school purposes.

Alcoholic beverages may be possessed, consumed, or used in the following areas by individuals who are of legal age to possess or consume alcohol beverages when those facilities are rented to another person or organization for non-educational purposes if specifically permitted in writing by the District Administrator consistent with applicable laws, ordinances and Board policy:

1. North Park ball diamond in Spring Green.

Any person violating the provisions of this Board of Education policy shall be subject to the code of ordinances in the district.
