Treasurer's Report:

Secretary's Report:

- January minutes

Old Business:

- Booster Cards--what to do with those that are still out; return to whom?
- Any new reps

New

- Scholarship -- Terri (lead), Heather and Rosie assisting, Janeen and Dana (possibly looking for 2 more volunteers)-- Greg will remove all identification; disperse via email; please keep in mind Covid related sports from last spring; currently 18 applicants
- Concessions for spring sports -- lots of moving parts (need someone to volunteer to order soda and candy bars, someone to do concessions -- suggested the sports that were scheduled to cover concessions last spring, cover this spring, someone to clean out concessions stand) -- needs to be ready to go by end of April, 20 home baseball and softball games
- Fundraising ideas (golf outing or any other ideas) -- as numbers creep up -- there are questions about doing any outings; having people/businesses sponsor; updating the programs and having sponsors -- students -- families on them? Maybe not having the schedule; adding a venmo account to have money deposited
- Other -- concrete outside of football concession stand is falling apart as well as the ticket booth and will need to be replaced, all commemorative tiles will need to come up; will continue virtually unless others are comfortable meeting outdoors; basketball backboards for youth -- Luke talked about them and the purchase of 4 of them at around \$700 each

Executive Committee:

- Discussed concessions for the spring -- at this time we are choosing not to move forward with spring concessions
- Discussed request for youth basketball hoops -- at this time we are not looking to pay for the youth hoops
- Discussed golf outing -- at this time we are not looking at having a large scale golf outing
