Dear River Valley School Board,

After 31 years of teaching, including six years with River Valley High School as a special education teacher, I have decided that it is time for me to retire.

During my time here I have been fortunate to make many strong relationships with the students and families I have worked with. I have also been fortunate to work with many amazing colleagues.

This has been one of the most difficult decisions I have ever made. I am grateful for the opportunity to have worked here and am thankful for all you do for our students. This district is a special place. I will miss you.

Respectfully,

Bob Bramlett
