

Changes to the At-Risk Handbook June of 2021

- Under the section of Identification Process at the bottom of page 3 and top of page 4, criteria for admittance into the At-Risk Program changed to “truancy” from “low attendance.”
- Under the Identification Process at the top of page 4, the language “not due to a disability” was added to the criteria for admittance into the At-Risk Program: “basic skills deficient as shown by consistently low scores on universal screeners.”
- Changed “RTI” throughout the document to “Multi-Level System of Supports (MLSS).” (Page 4)
