Position:

HIGH SCHOOL MATH TEACHER

Full-Time Position (1.0 FTE)

Qualifications:

Preferred applicants will hold a Wisconsin certification to teach High School Mathematics with the ability or potential to teach AP classes. The applicant must possess excellent leadership, team-building, interpersonal and communication skills. Expertise in best math instructional practices, assessment, and integration of technology is desired. Candidates need to be student-centered and have the ability to create a culture for learning. Strong written and verbal communication skills are important for this position, as well as being able to individualize and use creative learning strategies to meet the needs of students at different learning levels and with a variety of learning styles.

It is the people of our district—students, staff, faculty, Board, administration, parents, and community members—that make River Valley a very special place to learn and grow. Our school-community truly cares about students and, therefore, places high emphasis on academic standards, appropriate student testing and analysis of results, new and creative teacher training programs, technology integration, and a host of co-curricular programs.
