Treasurer's Report: any questions contact Greg or Aaron

Secretary's Report:

- November minutes

Old Business:

- Booster Cards -- continue collecting
- Concessions for winter sports -- continue on with no concessions at this time
- Any new reps -- none at this time

New

- Gymnastics request -- \$1835.80 for team leotards so all members match and due to COVID athletes have different needs and need to have supplies in bags. Looking for \$498.49
- Scholarship Committee -- Terri to lead and Heather and Rosie will assist
- All-State Athletes -- Parents spear-headed it, hasn't been touched for quite some time, criteria is rather vague as to how they are put on the wall, looking for direction what to do with this/these as it appears we are out of room, if we are going to acknowledge athletes then we need to have a more accurate/clear way of determining that. Looking to develop a team of people together (coaches and athletic director, etc) to move forward with this contact Jaime. Booster Club has no objections.
- Booster Video -- Mike McDermott asked if we would like to create a video for the Booster Club; pictures and information of what we do -- similar to the Endowment Grant video; no logo for Booster Club; hoping to make people more aware of Booster Club

Executive Committee:

- Terri made a motion for \$1334.29 for equipment and \$1000 for new leotards and second by Rosie. Motion carried

- Niki made a motion to adjourn and Rosie seconded. Adjourned at 7:56 p.m.
