## **Letter of Resignation**

4/22/25

**Loren Glasbrenner**

River Valley School District Administrator

Dear Loren,

I am writing to formally resign from my position as Art Teacher for the River Valley School District, effective June 18, 2025.

This was a difficult decision, as I have truly enjoyed building relationships with students and facilitating their creative growth. However, after much reflection, I have come to realize that there is a growing mismatch between my personal and professional values and the current direction of the district. I believe it is important—for both myself and the students—that I transition to a working environment where those values align more closely.

That said, I remain grateful for the experiences I've had here. I also want to thank you and the faculty for the support and camaraderie during my time here.

I am committed to ensuring a smooth transition and will do as much as I can to contribute to this process.

Wishing you and the district continued success in all future endeavors.

Sincerely,

Monica Kmak
