5	If the question was strictly for school security and nothing else I would have voted yes. School security is and always will be priority 1. I believe that the focus should be on that before you start asking for money on all these other things you want. Price of inflation is tough enough for most families and with asking for that kind of money up front you will be pushing families to leave the district. You have to remember, we are not Dane county. We are a bunch of small communities.	5/23/2024 12:28 PM

2	A performing arts center would be nice to have but is not a necessity. Cost of having performing arts center is too high for the district which already needs operational referendums in order just to operate.	6/11/2024 7:50 AM
3	Enrollment keeps declining- utilize the building space we already have. Be fiscally responsible in making decisions	6/5/2024 9:07 AM

5	Along with this question I feel like a referendum to build a gym to host sport tournaments like the neighboring schools do. The school and charge a small admission fee(\$5-\$10) per person to help pay for it. Look at Wisconsin dells for instance where they hold these massive tournaments and create a lot of revenue off admission fees.	5/23/2024 12:28 PM

3	Residents are tired of being taxed to death. Very unrealistic to think people want to pay extra taxes for 20 years. Alot if residents in our district struggle financially as it is so why burden them even more.	6/4/2024 2:14 PM
