Whereas, the **SCHOOL DISTRICT** wishes to contract with **MADISON COLLEGE** for the provisions of education services from **MADISON COLLEGE** for high school students under the jurisdiction of the **SCHOOL DISTRICT** pursuant to the provisions of Wisconsin WTCS Statutes Chapter 38.14(3)(a) and related administrative codes and regulations.

Therefore, in accordance with the terms and conditions as specified in this contract, it is agreed:

1. COURSE OFFERINGS

MADISON COLLEGE and the **SCHOOL DISTRICT** shall identify courses which qualify for inclusion in **MADISON COLLEGE** associate degree or vocational diploma programs and upon successful completion will grant credits in the form of dual credit as outlined in this Agreement and a course-specific Memorandum of Understanding. **MADISON COLLEGE** and the **SCHOOL DISTRICT** will determine competencies required for dual credit. 2. STUDENT ELIGIBILITY

Students meeting the following requirements shall be eligible to participate in this program:

- a. At the time of registration in a course offered for dual credit, the student must be eligible to register for the course according to all applicable **SCHOOL DISTRICT** policies and requirements and the student must also meet any applicable **MADISON COLLEGE** course pre-requisites.
- b. In order for a student to participate in the dual credit program and to be registered through **MADISON COLLEGE** for College credit, (1) the student must agree to such participation, and (2) the **SCHOOL DISTRICT**'s District Administrator, or an administrative designee, must approve such participation.

3. MADISON COLLEGE RESPONSIBILITIES

MADISON COLLEGE shall provide the following:

- a. Provide the opportunity for students to gain exposure to activities that are tied to MADISON COLLEGE competencies and/or to familiarize themselves with the technical college setting. SCHOOL DISTRICT approval is required prior to initiating any activity at MADISON COLLEGE.

- g. Provide WTCS certified teacher(s) to teach the MADISON COLLEGE course, for courses taught by MADISON COLLEGE faculty.
- h. Negotiate all course-specific agreements (and modifications/renewals of course agreements) and direct all concerns regarding this Agreement and any course-specific agreements through the SCHOOL DISTRICT Coordinator of Career & Technical Education. The Coordinator shall be MADISON COLLEGE's main point of contact at the SCHOOL DISTRICT for the dual credit course program.

If the SCHOOL DISTRICT does not cure its failure to complete registration within the 7-day grace period following notice, this Agreement may be terminated as applied to the affected course(s) and students will not receive dual credit through MADISON COLLEGE. By mutual agreement between MADISON COLLEGE and the SCHOOL DISTRICT, registration for individual students may be accepted after the original deadline, provided that the Agreement covering the given course has not been cancelled in its entirety.

- j. Assure SCHOOL DISTRICT instructor teaching the MADISON COLLEGE course has the appropriate credentials, skill level, and experience to meet the Higher Learning Commission accreditation standards.
- k. The SCHOOL DISTRICT agrees not to actively recruit MADISON COLLEGE personnel for employment who are working with the school district in connection with a course covered by a dual credit agreement. If the MADISON COLLEGE employee assigned as the peer instructor for this Agreement is hired by the SCHOOL DISTRICT within six months of the expiration date of this Agreement, and the employee terminates his/her employment with MADISON COLLEGE, then the SCHOOL DISTRICT shall pay MADISON COLLEGE a sum equal to the former employee's salary for three months of employment at MADISON COLLEGE, unless MADISON COLLEGE agrees, in writing, to waive this condition.
- l. The SCHOOL DISTRICT certifies, as party to this Agreement, that it does not discriminate against employees, enrollees, or applicants for employment or enrollment on the basis of age, race, color, sex, creed, handicap, political persuasion, ancestry, religion or sexual orientation except where there is a bona fide occupational qualification. In accordance with applicable state and federal law, the SCHOOL DISTRICT shall have in place any required policies that prohibit sexual harassment and assault, as well as a specific complaint procedure that may be invoked by students and/or employees to address, to assist in preventing, and in responding to, sexual harassment and/or assault within the school environment. In addition, the SCHOOL DISTRICT shall make available to students participating in MADISON COLLEGE courses covered by this Agreement information on such programs and activities related to awareness and prevention of sexual harassment and assault as MADISON COLLEGE may make available to its students and as MADISON COLLEGE may direct.
- m. The SCHOOL DISTRICT agrees that MADISON COLLEGE retains the intellectual property rights to any curriculum materials that are developed by MADISON COLLEGE, and/or by any MADISON COLLEGE employee(s), and that are provided by MADISON COLLEGE for use in any course covered by this Agreement. - a. Each party, including but not limited to situations involving joint liability, shall be responsible for the

consequences of its own acts, errors, or omissions and those of its employees, boards, commissions, agencies, officers, and representatives and shall be responsible for any losses, claims, and liabilities which are attributable to such acts, errors, or omissions including providing its own defense. Upon the execution of this contract, MADISON COLLEGE will furnish the SCHOOL DISTRICT, at its request, with written verification of the existence of such insurance. In the event of any action, suit, or proceedings against the SCHOOL DISTRICT upon any matter herein indemnified against, the SCHOOL DISTRICT shall, within five working days, cause notice in writing thereof to be given to MADISON COLLEGE.

7. RATE AND BILLING

MADISON COLLEGE and the SCHOOL DISTRICT jointly agree to the following payment process that will evenly offset each party's costs related to course(s) offered under this Agreement.

For a dual credit course taught by a SCHOOL DISTRICT employee:

1. MADISON COLLEGE shall reimburse the SCHOOL DISTRICT for instructional costs incurred by the SCHOOL DISTRICT, with such instructional costs to include the pro-rated cost of the instructor's salary and benefits and any other direct instructional costs that are expressly identified by the parties in the Memorandum of Understanding covering the specific course. The total instructional costs reimbursed by MADISON COLLEGE shall not exceed the amount of course tuition and fees paid to MADISON COLLEGE by the SCHOOL DISTRICT; and
2. The SCHOOL DISTRICT shall reimburse MADISON COLLEGE for the course tuition and fees, including any lab fees, to be charged based upon the number of high school students from the SCHOOL DISTRICT who are registered for the course as MADISON COLLEGE students. The total course tuition and fees to be paid by the SCHOOL DISTRICT to MADISON COLLEGE shall not exceed the total instructional costs that are reimbursed by MADISON COLLEGE.

For a dual credit course taught by a MADISON COLLEGE employee, the SCHOOL DISTRICT and MADISON COLLEGE shall expressly define the rate and billing arrangements applicable to the course at the time the parties agree to use a MADISON COLLEGE employee as the course instructor.
