Dear River Valley School Board and Tom Wermuth,

I will be resigning at the end of this school year the date dependent on snow days. I will be pursuing my retirement. Please accept this letter as an official notification on my resignation from River Valley Schools.

I want to take the time to thank you for all the support you have given me through the thirty plus years I have been here. I want to thank the school for all the cooperation and understanding you have given me during my years here. It has been a pleasure to be a teacher here at River Valley and work with such a cooperative staff and administration. I have formed some wonderful relations throughout my years here.

It would be appreciated if you would forward all the required information and documents regarding my retirement. Please send any other pertinent paper work to my home address. Once again, I would like to thank you for all the hard work and dedication you have given me through the years. I hope I would be able to use you as a reference if I need to work after retirement. I want to thank the administration, staff, and the teachers. I know that the school will continue to do the very best with the students they serve. I leave my position feeling I have done my best. I want to thank you for all you do for the children of this school district. I know that I will miss them.

Tom, I want to especially thank you for all the help you have given me. I appreciate all you have done for me over the years.

Sincerely,

A handwritten signature in cursive script that reads "Barbie Moore".
