CONSTRUCTION EXPERIENCE OF PRINCIPAL INDIVIDUALS IN ORGANIZATION:

Bradley D. Huston is President of R. G. Huston Co., Inc. Brad has a business degree from Edgewood College of Madison in Marketing and Business Management. Brad has a wide variety of construction work experiences. Brad is also part owner of Huston Leasing, LLP, a construction equipment leasing operation. Brad has experience in developing land through his family business, which has developed land in the Cottage Grove area and is currently in the process of developing a retirement community in Cottage Grove. Brad has gained familiarity with many facets of construction through his wide variety of experience including reconstruction projects, grading projects, bike paths, wetland mitigation projects and landscaping projects, just to name a few.

Wade R. Huston is Secretary/Treasurer of R.G. Huston Co., Inc. Wade is a graduate of the University of Wisconsin-Whitewater School of Business. Wade worked his college years at a local landscaping firm where upon graduation, he remained with the firm as a project manager and estimator. He joined R.G. Huston Co., Inc. in 1998 as a project manager and superintendent. Wade has received a wide variety of construction experiences through his family business in residential developing in the Cottage Grove area. Wade is also part owner of Huston Leasing LLP, a construction equipment leasing operation. Wade has gained a familiarity with many facets of the construction industry through his wide variety of experiences. Wade has extensive experience with commercial site development including project estimation, building demolition, site grading, building excavation, retaining wall construction and landscaping.

James R. Madsen is the Operations Manager for R.G. Huston Company, Inc. Jim started with our firm in the winter of 2004. Jim has a degree in Construction Engineering from North Dakota State University. He came to us from James Cape & Sons where he was a project manager/estimator for 8 years where his duties included bidding projects, project management, job costing, budgeting, etc. Projects included numerous large scale WisDOT projects, MMSD projects, Landfill projects, and Army Corp projects. Jim also worked for Terra Engineering and Construction for 6 years as an estimator and project manager of various underground, environmental remediation, landfill, and dam projects. Jim has an extensive knowledge of the construction industry that started in 1972 when he joined the work force as a construction laborer.

Dennis Richardson is a Civil Engineer who has been with our firm since the spring of 1996. Dennis has a BS in Civil and Environmental Engineering from the University of Wisconsin-Madison and his Professional Engineers License. Before joining our firm, Dennis was employed by Mead & Hunt for 3 years as a civil engineer in both the Highway & Bridge Dept. and the Airport Dept. While attending UW-Madison, he was employed by the Wisconsin Dept. of Transportation as a student engineer. Dennis has developed a broad range of knowledge in the construction industry including project estimation, contract administration, construction project site management, and company policy development, just to name a few. Dennis is also the company's Equal Employment Opportunity/Affirmative Action Officer and Company Safety Director and has been instrumental in developing and implementing these company policies and procedures. Dennis also has several safety training certifications including his OSHA 30 HR certification.

Nelson Schrock is employed by R.G. Huston Company as the Quarry Operations Supervisor and Shop Manager. Nelson is responsible for the day-to-day operation of all the R.G. Huston Company quarry sites. Nelson is well experienced in the construction and aggregate industry. Nelson is integral in the purchasing and maintenance decisions with all the heavy equipment for R.G. Huston Company. Nelson is also intricate in coordinating/scheduling of the moving of company equipment and trucks along with the day to day running of the shop/yard operations.

Brian Steinke is a Sr. Project Manager and Surveying Specialist. Brian has a strong background in all areas of our grading operations. Brian is experienced in managing various size projects with multiple sized crews. Brian graduated from Edgewood College in Madison with a BS in Business, Marketing and Management. Brian has been with our firm since May of 2000. Brian is also in charge of our GPS surveying equipment. He has

been instrumental in the purchasing and application of this ever-changing technology in the field. Brian has his OSHA 30 HR Certification and Hazmat certification.

Jake Kolczaski interned with R.G. Huston Co. during the summer of 2016. He officially joined our firm in January 2017 upon graduating from the University of Wisconsin – Platteville. Jake has a degree in Civil Engineering with strong analytical skills. He joined our firm as an assistant estimator and uses those skills daily deciphering plans and specifications while helping our estimating department provide complete bid packages. Jake is also knowledgeable with our GPS surveying equipment and provides support for this portion of the company when called upon.

Derrick Rice is employed by R.G. Huston Company, Inc. as a Project Manager and Estimator. Derrick joined our firm in January of 2015. Derrick previously worked for Parisi Construction as a Project Manager/Estimator and with Ruekert Mielke as a Project Engineer. While at these firms he developed a knowledge of municipal work and design, earthwork, DOT work, and project management. Derrick graduated from the University of Wisconsin – Platteville in May of 2011 with a BS in Civil Engineering. Derrick has his PE license. Derrick has his OSHA 30 HR certification.

Kollin Reinhardt is employed by R.G. Huston Company, Inc. as a Project Manager and Estimator. Kollin joined our firm in May of 2016. Kollin previously worked for Lunda Construction as a Project Manager and for CBS Squared as a Project Engineer. While at these firms he developed an in-depth knowledge of bridge and structure construction, DOT work, design and project management. Kollin graduated from the University of Wisconsin – Platteville in May of 2013 with a BS in Civil Engineering. Kollin has WisDOT certifications for transportation Material Sampling and PCCTEC-1.

Grant Fisher is employed by R.G. Huston Company, Inc. as an Assistant Engineering Technician. Grant joined our firm in the summer of 2013. Grant graduated from the University of Wisconsin – Platteville with a BS in Civil Engineering. Grant interned with Ayers Associates from May of 2010 to August of 2011 as a construction inspector in their Madison and Waukesha offices. Grant also interned with Buesing Associates during the summer of 2012 as a construction inspector. Grant has a well-versed knowledge of different aspects of highway and municipal construction. Grant is WisDOT certified for Transportation Materials Sampling. Grant has several years of GPS surveying experience and helps coordinate our GPS equipment. Grant has OSHA 30 HR certification.

Kristin Strandlie joined R.G. Huston Co. in 2008 and is currently our Laboratory Manager. Before coming to work for us, Kristin was employed at the Bruce Company as a Landscaping Maintenance Foreperson. She was also previously employed at Wingra Stone as a scale house attendant and administrative assistant. Kristin has WisDOT certifications for AGGTEC-I and PCCTEC-I. Kristin also has her OSHA 30 HR certification.

Larry Nelson is a Utility Crew Supervisor who joined our firm in January 1998. Areas of knowledge include General Construction, Underground Utilities, Wastewater Treatment Plants, General Contracting, Subcontracting, Purchasing and Ordering, Public Relations, Personnel Supervision, and Employment Training. Larry has worked in construction since 1974 in many capacities and for different contractors giving him a wide variety of experiences. Larry has completed many projects of all kinds and sizes successfully. Larry has completed his Competent Person training, OSHA 30 HR certification and has his Hazmat certification.

John Conroy is a Utility Crew Foreman who joined our firm in September of 2000. John came to our firm with extensive experience in the sewer and water main construction industry. John was previously employed with Henshue Construction as a Utility Crew Foreman for 2 ½ years and before that, by Timme Construction for 8 years as an operator. John has proven experience with rehabilitation jobs of various sizes. John has completed Competent Person training.

Damon Driscoll joined R.G. Huston Co. in March of 2003. Damon is a Supervisor for rehabilitation projects. Damon came to us from Straight Arrow Construction where he worked for them since 1986 as a foreman and project coordinator. Damon has a college degree from the University of Wisconsin-Stout. Damon is knowledgeable in various aspects of construction. He is also well versed in welding and mechanical repairs and helps out on equipment maintenance during the winter months. Damon is very well liked and personable and has proven to be a great project coordinator for us. Damon has his OSHA 10 HR certification.

Brian Heiman joined R.G. Huston Co. in 2004. Brian is employed as part of our landscaping crews. Brian came to us from Straight Arrow Construction and Highway Landscapers where he worked for them since 1998. Brian's expertise is in the landscaping arena but, is also knowledgeable in other various aspects of highway construction.

Dennis Kampmeier joined R.G. Huston Co. in May of 2005 as a Quarry Foreman. Before coming to work for us, Dennis was employed at Wingra Stone as a Crushing Foreman since 1976. Dennis has extensive experience and training in the aggregate production industry. He is also well versed in welding and mechanical repairs and helps on equipment maintenance during the winter months when not crushing. Dennis is WisDOT AGGTEC-I certified.

Ryan Shemak started working for R.G. Huston Co. during the summer of 2001 as a general laborer and was promoted the following year to pipe layer. In the spring of 2007, Ryan was promoted to Utility Crew Foreman and took over the complete responsibility of running a full crew. Ryan has accrued a wealth of utility construction knowledge over the years being involved in varied types of utility contracts of all different sizes. Ryan has attended numerous safety training classes and has acquired his Hazmat certification and completed his Competent Person training.

Jesse Nelson first started working for R.G. Huston Co. part-time during the summer months from 2000 to 2005. Jesse has a college degree from the University of Wisconsin – Platteville in education. He left his position as a teacher to join us full time in 2006 as a Utility Crew Foreman. Jesse has a wealth of utility construction knowledge growing up around underground construction projects. Jesse comes from a family that has been in the utility construction business for several generations. Jesse has completed his Competent Person training.

Jay Wisniewski is a Grading Foreman who joined our firm in August 2005. He previously worked for Biehn Construction, Inc. out of Kenosha, WI. His responsibilities include site staking and layout, supervision of several operators/grading personnel. Jay has successfully worked on and completed multi-million-dollar projects. Jay has several years of field experience with using GPS surveying and machine-controlled systems. Jay has completed Competent Person training.

Chuck Hendrickson is a Utility Crew Foreman who joined our firm in April of 2013. Chuck came to our firm with extensive experience in the sewer and water main construction industry. Chuck was previously employed with Rawson Construction for two years as a Utility Crew Foreman, twelve years with Henshue Construction as a Utility Crew Foreman and seven years with Capital Underground as a pipe layer. Chuck has proven experience with rehabilitation jobs of various sizes. Chuck has his OSHA 10 HR certification and has had Competent Person training.

Willey Breuch joined R.G. Huston Co. in June of 2013 as a Quarry Foreman. Before coming to work for us, Willey was employed at Wingra Stone as a Crushing Foreman. Willey has extensive experience and training in the aggregate production industry. He is also well versed in welding and mechanical repairs and helps out on equipment maintenance during the winter months. Willey is WisDOT certified for AGGTEC -I.

Brad Stevens is employed by R.G. Huston Company as our concrete structure specialists. Brad has been with our firm since 2002. Brad has extensive experience with dissecting structure plans, designing and building

form work, forming and pouring concrete structures including inlets, manholes, apron end walls, weir structures, etc. Brad has also developed a well-rounded knowledge of the municipal and WisDOT construction industry over the years. Brad has his WisDOT certification for PCCTEC-I.

Terry Udelhoven joined R.G. Huston Co. in the spring of 2003 as a Pipe Crew Laborer. Terry was promoted to Loader Operator in the summer of 2014 and then to Utility Crew Foreman in the summer of 2017. Terry has accrued a wealth of utility construction knowledge over the years being involved in varied types of utility contracts of all different sizes. Terry was previously employed by Muler Pipeliners in New Berlin, WI. Terry has attended numerous safety training classes.

Thomas Guttman joined R.G. Huston Co. in 2016 as a Project Foreman. Tom formally worked for Lunda Construction for 16 years where he was a Foreman for 14 of those years. He has successfully worked on and completed multi-million-dollar mega projects. Tom has extensive experience with bridge and culvert construction, form work, concrete pouring and finishing, just to name a few. Tommy has attended numerous safety classes and is OSEP certified.

EQUIPMENT

MAJOR PIECES OF EQUIPMENT OWNED AND AVAILABLE WHEN NEEDED FOR PROPOSED WORK:

“See Attached List of Equipment”

R.G. Huston Co., Inc. and Subsidiary

**Consolidated Financial Statements and
Supplementary Information**

December 31, 2020 and 2019

Independent Accountants' Review Report

To the Stockholders and Board of Directors of
R.G. Huston Co., Inc. and Subsidiary

We have reviewed the accompanying consolidated financial statements of R.G. Huston Co., Inc. and Subsidiary, which comprise the balance sheets as of December 31, 2020 and 2019 and the related consolidated statements of income, stockholders' equity, and cash flows for the years then ended and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the reviews in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountants' Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The supplementary information as identified in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. We have reviewed the information and, based on our review, we are not aware of any material modifications that should be made to the information in order for it to be in accordance with accounting principles generally accepted in the United States of America. We have not audited the information and, accordingly, do not express an opinion on such information.

To Whom It May Concern

RE: R. G. Huston Co., Inc.

R. G. Huston, Co., Inc. has maintained accounts with the Bank of Sun Prairie for the past 25+ years. I know the company and its officers to be reliable. They have handled their obligations to the Bank of Sun Prairie as agreed.

Bank of Sun Prairie has extended R. G. Huston, Co., Inc. a Line of Credit in the high six figure range. The balance on this Line could vary depending the company's ever-changing financial situation and work in progress and may fluctuate on a daily basis. The Line of Credit has been handled as agreed.

R. G. Huston Co., Inc. also maintains a demand deposit account with the Bank of Sun Prairie that carries an average balance in the lower six (6) figure range. The deposit accounts have been handled as agreed.

We look forward to our continued working relationship with R. G. Huston Co., Inc. in the future. This information should be held in the strictest confidence. If you require further information, you may contact me at 608-467-1763.

Sincerely,

Chris Cox
