

Sauk County School Data Tracking Tool - Enter Data in the sections below with a Green Header. Students/Staff should be counted as having COVID-like illness if absent/out or sent home due to COVID-like illness symptoms. Count Students/Staff out on Isolation/Quarantine in the Isolated/Quarantined column. In addition to entering the total enrollment and staff numbers, Sauk County Public Health has set thresholds for the percent of students out to inform decision making. The recommended measures of 2.5%, 5%, and 7.5% and 10% have been supplied. Last Update 10/30/20

Enter Information About School or District Below	
Number of Students in School or District -->	1000
Number of Staff in School or District -->	100

	Alert Level	Caution Level	Warning Level	Critical Level	Caution Level: Please Notify SCPH if the % of Students Absent OR % of Staff Out Reaches 5%
SCPH Recommended Percentages	2.5%	5%	7.5%	10.0%	Warning Level: Please contact SCPH to discuss mitigation plans if the % of Students Absent OR % of Staff Out reaches 7.5%
					Critical Level: SCPH Recommends that a school/district shift to minimal capacity for 14 days if the % of Students Absent OR % of Staff Out reaches 10% (please contact SCPH to discuss extenuating circumstances)
