

State law requires that schools in Wisconsin have to start on or after September 1 unless the school qualifies for a waiver to start the school year earlier. Do you support the District requesting a waiver to see if we could qualify for a waiver from DPI to start school prior to September 1, 2023?

Start school year prior to September 1, 2023

Do you support starting school the Week of August 21, 2023 or the Week of August 28, 2023?

 Copy

If we start the Week of August 21, 2023, the last day of school would be before Memorial Day weekend (2024).

If we start the Week of August 28, 2023, the last day of school would be the week after Memorial Day weekend (2024).
