Middle School	\$80	\$90	\$100	\$70/hr
High School	\$215	\$290	\$350	\$70/hr

- Price for spreading salt at schools is \$185.00 per time.
- Some snowfalls may require multiple plowings during the school day or due to blowing and drifting snow.
- During the school day there may be partial plowings for sidewalks and bus lanes that will be charged at \$70 per hour.
- If fuel prices exceed \$4.00 per gallon a fuel surcharge may be added.

Snow Plowing

Specifications:

- Plowing is required when there is one inch or more snow on the parking lots, sidewalks and playgrounds.
- Plowing will be considered completed when areas are scrapped to the area's surface and the snow accumulation are completely removed from the areas specified.
- Plowing of sidewalks will be done by power broom whenever possible.
- Salting is to be done by contractor on parking lots and sidewalks only. School District to provide salt via Sauk County contract or coordinate with contractor.
- Snow plowing must be completed by 7:00 AM on regularly scheduled school days and by 8:00 AM on non-School days.
- Include a certificate of the insurance indicating Liability, Property Damage, and Workers Compensation coverage.
- Contractor must have the ability and equipment to complete each school by the above stated times. If River Valley School District equipment is needed to complete a contracted school's plowing, the time will be deducted from the contractors invoice at \$40.00 per hour.
- Contractor will be responsible for damage incurred while plowing with exception of sod and grass damage at the edges of the plowed areas. Damages will be noted and will be deducted from the final invoice of the year unless damages are evident before that time.
- Heavy snowfalls may require bobcat, dump truck and loader work if available.
- Successive renewal increases will not exceed the consumer-price inflationary index.
- Contractor equipment stored on River Valley School District shall be the sole responsibility of the contractor and coordinated with Rick Ferguson.
