FROM

Academic/Homework Support

Time to complete homework is offered to students. For students who do not have homework, alternate academic enrichment, such as read-alouds, will be provided.

Planned Activities, Recreational and Free Play Planned activities that will promote a variety of skill growth, ranging anywhere from creative thinking to peer relations. Supervised and planned recreation activities will be offered to increase student’s physical activity and skill level. Teamwork and fun are emphasized!

TO

Planned Activities, Recreational and Free Play

Planned activities that will encourage a variety of learning opportunities, ranging anywhere from creative thinking to peer relations, as well as supervised and planned outdoor activities will be offered to increase student’s physical activity and skill level. Community building, kindness, and fun are always emphasized!

Our time is divided between outdoor play, snack, quiet reading, and indoor activities (there will be no screen-time activities). Through it all, your child will receive compassionate care from a variety of helpers ranging from teen students to local retirees with at least a 10:1 student teacher ratio.

Page 2:

- Under “Registration and Enrollment” added “24 hours in advance” to last line in first paragraph.
 - Days to your child’s schedule may be changed or added with prior approval from program director 24 hours in advance.

Page 4:

- Under “AFTER SCHOOL CARE”. Added “Pick up times on the half hour is preferred” to first sentence.
 - After School Care begins immediately as school is dismissed until 5:30 p.m. Pick up times on the half hour is preferred.
 - Changed 3rd sentence from “A snack and milk will be offered at no charge” to “A healthy (often a cooking project) snack and drink will be offered at no charge”.

Page 6:

- Added “Again, you will need direct approval from the program director” to the last sentence of this paragraph under “Safe Arrival Policy”. *If you would like to have your child attend on a day not previously scheduled, you must have prior approval. This will allow us to schedule adequate staff and assure parents that their child has arrived safely. With 24 hour notice, drop-in care may be available depending on staffing and numbers. Again, you will need direct approval from the program director.*
