## RESOLUTION TO APPOINT HUMAN GROWTH AND DEVELOPMENT COMMITTEE

## FOR 2022-23 and 2023-24

The River Valley School District is committed to developing a comprehensive human growth and development program to serve the needs of youth in our community. The Wisconsin State Legislature passed Act 56, the Abortion Prevention and Family Responsibility Act of 1985. This legislation encourages all schools to make available to pupils instruction in topics related to human growth and development.

Under this legislation, we are required by law to appoint an advisory committee, and this advisory committee shall develop a human growth and development curriculum and advise the school board on the design review and implementation of this curriculum.

An advisory committee is an appointed group of citizens who have an interest in and wish to assist in the development of an identified program or project. The committee acts only in an advisory capacity and is responsible for making recommendations and suggestions to the District Administrator and School Board who are empowered to act upon the advice offered.

The development and implementation of a comprehensive human growth and development program in our district can only be achieved through the assistance provided by our advisory committee.

The following people on the attached page are hereby appointed to serve for two (2) years on the River Valley Human Growth and Development Advisory Committee

On behalf of the River Valley School Board, we wish to express appreciation to you for your willingness to serve on this important advisory committee. You are an important part of the team. We welcome your participation.
