

Thresholds to mask in our schools

Data is an important component to our masking determinations.

	Low	Moderate	Substantial	High	Pandemic
Source of data	Universal practices and communication	Increased communication	Masking highly recommended	Masking mandated	Pandemic Plan
River Valley School District: Site-based COVID activity	0 - 2.5%	2.6% - 3.74%	3.75% - 4.9%	5% +	
COVID-19 Data by School District - DHS	<p>These resources will be used daily by the administrative team to monitor data.</p>				<p>The RVSD pandemic plan will be used in cooperation with county officials.</p>
Sauk County : Community Transmission					
Iowa County : Community Transmission					
Richland Cty. : Community Transmission
