Hi All:

Just an FYI that Lisa Roelke has officially retired at the end of this school year.

Subject: retirement statement

To: Brian Krey &lt;bkrey@rvschools.org&gt;

Brian,

After many, many months of careful consideration, I've decided that this will be my last year at RVHS. I plan to retire at the end of the 2022-2023 school year. I want to take a moment to thank you personally, our administration, and our school board for allowing me to teach in one of the best school districts in the state of Wisconsin for my entire 35 year career. I know it is rare to spend your entire career with the same school district, but the positive family connections and memories I've made as a teacher and coach in this district I will carry with me for the rest of my life.

Sincerely,

--
