Subject: Thank You

To: HS Staff <hsstaff@rvschools.org>

Hello all,

It saddens me to say that I will not be returning to River Valley next school year. I am pursuing a master degree through UW-Whitewater, and I will be working in a lab in Madison that supports the masters program. This was a very difficult decision for me because I really enjoyed getting to know all of you, and I was excited to potentially make River Valley a district to work in for a long time. Many of you gave me so much support and advice to help me through my first year, and I cannot be more thankful for that. It was really rewarding to work with many of you on a daily basis, and I just want to thank all of you for being so welcoming and generous when I joined the high school staff. Even though my time here was short, I will never forget about River Valley and the amazing people I got to meet and work with.

Thank you for everything River Valley!
