Dear River Valley Administration,

I want to thank you for the opportunity you have given me to serve staff, students, and families in the nursing role. School nursing is a valuable position in a school setting and it has been a privilege to serve the River Valley Community. I have decided that it is time for a change and have a new beginning. I have accepted a full time school nurse position at Deforest Area School District. My last day at River Valley School will be Thursday, October 29th. I hope that all of you stay safe and well during this changing time of COVID.

Take Care,
