Temporary Policy for Board Member Attendance and Voting Method During the Emergency Order

The Board or a committee of the Board will allow a member or members of the body to participate in a meeting without physical attendance. Attendance is allowed via phone or other virtual methods. A Board member may provide to the Board President his/her notes regarding agenda items, to be shared/summarized at the meeting. Closed sessions shall be held in person and not allowed virtually.

Voting at Board meetings will normally be by voice vote, unless a roll call vote is required by law or requested. Any Board member may request a roll call vote on any question under discussion.

The Board President shall have a vote just as other Board members. Only Board members who are physically or virtually present at a meeting may vote; no voting by proxy.

Unless the statutes specifically provide otherwise, secret ballots may be taken only to elect Board officers.
