

February 2016

Dear Open Enrollment Families:

As the District Administrator of the River Valley School District, I am concerned about River Valley families who elect to open enroll out of our school district. I invite you to contact me to share your story and to listen to suggestions and concerns that may have led to your open enrollment choice.

In addition, I ask that you please complete the enclosed brief survey and return it by Friday, February 12, in the postage-paid envelope provided.

Enclosed is a flyer regarding River Valley academic and co-curricular achievements over the last year. We are very proud of our accomplishments and our exceptional staff. In addition, I regularly submit articles to our local newspaper, *Home News*, highlighting innovative programs and experiences we are providing the children and families we serve as well as broader issues that impact our schools. You can access those articles from our website ([www.rvschools.org](http://www.rvschools.org)) by choosing the "District Administrator's Corner Articles" menu option on the left of our website home page.

We are excited to celebrate the initiatives and successes of our district! However, one thing is missing from our school/community family...your family.

I look forward to hearing from you and building a positive relationship that will hopefully lead your family to consider returning to the River Valley school/community family. We want to be your school district of choice.

Thank you for your time. I look forward to your feedback.

Sincerely,

Thomas R. Wermuth  
District Administrator
